However, 2017 being our 30 year anniversary marks a significant change in our history in that we have decided to relocate to our new home in nearby Beamish within our newly opened restaurant - À la Spicery. By doing this we can continue to serve you for many years to come!

Delivery customers will notice no difference in the consistent taste, quality and service that we have been associated with for over the last 30 years. Customers wishing to collect will enjoy convenient free car parking and can even enjoy a drink from the well stocked bar while waiting for your takeaway in comfortable and modern surroundings. We have also included some of the most popular dishes from the restaurant in this menu for you to try. We look forward to welcoming you!
